What is the PTO?

PTO stands for Parent-Teacher Organization. A successful charter school, like MSA, is a group effort. It takes teacher, student and family collaboration. The PTO provides opportunities for families to communicate, work together and contribute to ensure our students have the best MSA experience possible.

Who can join?

Every MSA parent is already a PTO member! The PTO raises funds to supplement the school's budget so our students benefit from extra programming, activities and supplies that enhance their education.

All these programs and activities, as well as the support we provide to the teachers, take volunteers. Parents, grandparents, and family members of MSA students are all an important part of our MSA community. There are many ways to volunteer time, even as little as 1-2 hours / month is tremendously beneficial!

MSA is a diverse, talented community! Make sure your unique perspective is heard and your talents are utilized to keep MSA a success! Get started by emailing info@msapto.org
